

Senior Headshots:

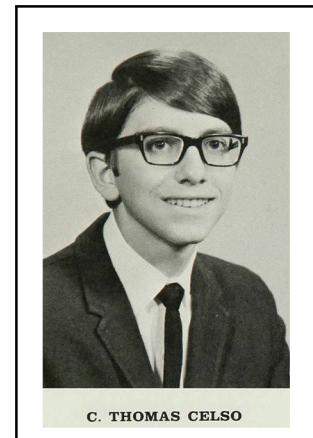

- ✓ Perfect for reunion-planning, slideshow assembly, or personalized alumni promotional gifts, BBS is pleased to offer a unique, highly-in-demand service to turn those spreads of senior photos into individually labeled JPEG files.
- ✓ Each senior photo is digitally cropped from the yearbook and tagged with the student's name and year of graduation.
- ✓ Alumni associations use these images to create or enhance alumni directories, wall art, and personalized donor gifts and promotions.
- ✓ Reunion committees find these invaluable to create name badges, then/ now material, attendee gifts, and slide shows.
- ✓ We add this option to new yearbook digitization orders, as well as work with yearbooks scanned in the past.
